Katja: Yes, there was no traffic on the highway.

Dialogue 2

Bo: Det er lige midt i myldretiden. Prøv at se. Trafikken bevæger sig slet ikke.

Adam: Ja, lad os tage en af sidevejene og se om det er bedre.

Bo: It's in the middle of rush hour. Look. The traffic is not moving at all.

Adam: Yes, let's take one of the side ways and see if that's better.
